

Day:	Fortnightly meetings in your workplace
Course Title and Level :	Level 2 Certificate in Health and Social Care
Course Fee:	£350
Tutor:	Pat Pigott

Who is the Course for?

Do I need any prior experience? n/a

Will I need an Interview? Yes—with the apprenticeship department

What could I do next? Progress on to higher Care awards or attend university for nursing if you have A levels in addition.

What are the aims of the course?

Course aim: The course aims to give you the experiences you need to work as a care assistant

What topics will I cover? You choose modules to complete from Health and Safety, Professional Development, assisting care users, providing food and drink, aiding care users to go about daily tasks, providing medication, supporting washing and patient handling.

What will the sessions consist of?

An assessor will meet you each fortnight in the workplace and will observe you in your job role. You will build a portfolio of evidence from statements from your line manager/assessor to work you complete during your employment.

This shows that you are working at the required occupational standard and is useful when applying for jobs in the future.

How is the course assessed?

Your portfolio of evidence is assessed by your assessor and then by one of our Internal Verification team.

How can I prepare for the course?

You must be in employment for 16 hours per week in a care setting.
