Who is the Course for?

Do I need any prior experience? The course is a natural follow-on from the Digital Photography course but can be attended by anyone who has a basic understanding of the controls and various functions of their camera.

Will I need an Interview? No, but advice and guidance is available by telephone to establish course is suitable for you.

What could I do next? Digital Photography, Photoshop Elements, or Digital Photography Workshops.

What are the aims of the course?

Course aim: To produce an Artist Portfolio containing 12 well planned, well executed, high quality photographs.

What topics will I cover? Each session the tutor sets a topic, the group sets a topic and the student sets a topic.

What will the sessions consist of?

Each session is tutor led open discussion based upon the work presented by each student.

Students will need to be self-motivated and keen to produce high quality work. They will need to work on their portfolio between sessions.

How is the course assessed?

Peer assessment and feedback from tutor.

How can I prepare for the course?
