### Who is the Course for?

**Do I need any prior experience?** The course is a natural follow-on from the Digital Photography course but can be attended by anyone who has a basic camera knowledge, understanding and skills

**Will I need an Interview?** No, but advice and guidance is available by telephone to establish course is suitable for you.

**What could I do next?** Digital Photography, Photoshop Elements, or Photography Portfolio Workshops.

### What are the aims of the course?

**Course aim:** The aim of the course is to practice away from the College, taking a range of specific photographs. On location you will be advised as to the desired camera settings for a range of photographic opportunities that you will be confronted with. You will be encouraged to be aware of your location, both environmentally and socially.

**What topics will I cover?** Photographic subjects include night times, landscapes, city scapes, water fronts, beach areas, industrial settings, local interests.

### What will the sessions consist of?

Every other session will be in a different location around the county with the remaining sessions taking place in the College.

You will be discussing the merits of your work and sharing your ideas and thoughts about other students' work, as well as receiving tutor feedback.

### How is the course assessed?

There is no formal assessment on this course.

### How can I prepare for the course?

Have skills using your camera and have access to a printer.

### Key Facts
