

5<sup>th</sup> October 2020

Dear Parents/Carers

Our **New Parents Information Event** is now live. Please use the link below to access a video presentation from the senior team and the parents/carers information booklet, for you to keep as a reference point throughout the academic year.

- New Parents/Carers Information Event – Presentation\*
- [Parents/Carers Information Booklet](#)

We hope you will find the information useful as we share some of the key elements of our approach to developing successful sixth form study. We also signpost communication routes and support provision available to students (and parents), should the need arise.

Best wishes

Andrea John

Vice Principal (Pastoral)
