

Frequently Asked Questions

Travel & Tourism level 2 & 3

Question: What are some of the key topics I would cover?

Answer:

The key topics are The World of Travel & Tourism where you will cover all aspects of the industry and research current trends and factors that affect Travel & Tourism.

Customer Service is a key topic where you will research specific organisations

Marketing Travel & Tourism products & Services – what makes people buy a specific holiday and who from

Global Destinations – a fascinating unit where you learn about destinations all over the world and why they appeal to people.

Question: How many other subjects can I choose alongside this one?

Answer:

You can either choose two other subjects or just one if you decide to do double travel.

Question: What is the learning style like within this subject?

Answer:

We will consider your learning style and make sure that we have a variety of interesting activities including quizzes to check your learning and interactive and classroom activities. There will be role plays and presentations as well as trips and speakers as soon as we are allowed.

Question: How will I be assessed?

Answer:

This is a mixture of exam, timed assessments and written assignments which are assessed internally.

Question: What support can I access if I am struggling?

Answer:

Your teachers and tutor will always be there to support and guide you. We also have student support where there are drop-in sessions and subject workshops will be available.

Frequently Asked Questions

Question: Are there any subject specific entry requirements?

Yes, for level 3 you will need an average GCSE score of 4 or above including English and for level 2 you will need a average score of 3 and there will an opportunity for you to resit maths and English if needed.

Answer:

Yes, please refer to the prospectus [here](#) for general and subject specific entry requirements

Question: Are there normally any trips that I can go on?

Answer:

In normal circumstances we do many day trips in the UK and some overseas trips. We have travelled to Lanzarote, Majorca, Southern Spain and Dubai however the world is our oyster so new destinations are always on the horizon as soon as we are allowed to travel again.

Question: What do students who have studied this area normally do after Collyer's?

Answer:

After completing your Travel & Tourism course you will have many options available to you. Many students decide to progress to University where they can study degrees such as International Tourism Management, Sustainable Tourism Management, Business Management, Marketing, Hospitality Management or Aviation to name but a few.

Some students decide they would like to go straight into the industry, and we have good local links with many different organisations in the airline/aviation sector, Tour operations, Travel Agents, Resort Reps, Hospitality and Cruising.

The industry is struggling right now but that won't be forever and in a couple of years' time the industry will be looking for qualified people like YOU!
