16-19 Bursary Fund

The Collyer's 16-19 Bursary is designed to help and support any student who faces financial barriers to participation in education, such as costs of books, college equipment or transport. Eligible students must be under 19 on 31 August 2021 and enrolled on a non-fee paying full time course at Collyer's. Where a young person turns 19 during their programme of study, they can continue to be supported to the end of the academic year or to the end of their programme of study. There are two types of bursaries available to help students. The **Vulnerable Learner Bursary** and the **Discretionary Bursary**.

Vulnerable Learner Bursary

This will be awarded to Collyer's students in the following categories:

- In care
- Care leavers
- Receiving Income Support or Universal Credit because they are financially supporting themselves.
- Receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIP) in their own right **as well as** Employment and Support Allowance (ESA) or Universal Credit in their own right.

Students who meet the criteria for a vulnerable learner bursary may receive up to £1,200 a year but the amount awarded is based on actual financial need.

Discretionary Bursary

Students can apply for a discretionary bursary if the annual household income does not exceed £28,000. The amount of bursary awarded will be confirmed following your application and is dependent upon funding allocations and the number of applications received. The amount awarded will depend on both the household income and educational need and will take account of the costs incurred in attending College (for example travel of more than 2 miles) and costs incurred in following a course (for example course materials, books and equipment). The college will aim to distribute the funds fairly with regard to the financial needs of the individual student.

Under exceptional circumstances, additional help in the form of one-off payments for course-related expenses may be available to students who are not eligible for an award. Applications will be considered on an individual basis and are dependent upon available funds. Evidence of income or hardship will be requested.

Evidence of Income

You will be required to complete an online application form and submit evidence of household income, for example P60 and/or copies of your last three Universal Credit monthly award statements.

Payment of Award

Once approved, payments will be paid at intervals during the year and payment dates will be set out in the award letter. Please be aware that confirmation of awards may not be made until mid-September at the earliest due to the large numbers of applications received. Students should be aware that they will need to cover their own travel costs for the first month of college, as the travel assistance is paid in arrears. Students must have their own bank account as payments are made by BACS direct to their account.

Conditions

- Students must be UK residents.
- Students must be enrolled on a non-fee paying full time course at Collyer's.
- All Bursary payments are directly linked to excellent attendance, progress, effort and behaviour. Payment may be withheld if the student does not comply with college expectations.
