

Friday 18th February 2022

Dear student and parents

UPDATE - Red weather warning - College closed on Friday 18th February

The Met Office updated their weather warning for the south east of England to red in the early hours of this morning. We have therefore **taken the decision to close the college** and move all activities fully online. Please help spread the word to friends via social media / text. We will also put a message on the website.

Estates staff and senior managers will be onsite and like snow days we will keep the library open until any students and staff that do come in are able to safely return home.

Take care and more updates as and when needed.

Regards

Dan Lodge
Principal
