

# Law Subject Workshops

- Law subject workshops are an opportunity for the teacher and students to work together on specific issues such as skills, knowledge and understanding of a topic.
- Workshops work best if students think ahead about what they want to explore, cover and achieve in the workshop and bring all the relevant materials with them.
- Workshops require full engagement by the student.
- Workshops are open to all students (drop in), and at the request of the teacher.

## Law workshops 2024-2025

Year group	Day	Time	Room
2A	Monday	1.20pm – 2.00pm	B102
