

HEALTH & SOCIAL CARE TEACHER Full Time Two Year Fixed Term Required for September 2025

The College of Richard Collyer in Horsham, 'Collyer's', is one of the leading sixth form colleges in the country and the no. 1 choice for A Levels in West Sussex.

We are looking to appoint a well-qualified and enthusiastic teacher, with an outstanding track record of improving student outcomes, to teach Health and Social Care, a thriving subject area within the Faculty of Business.

Established almost 500 years ago, the College of Richard Collyer is forward thinking in every way. Our mission is simple: to deliver the best possible education to our 2,500+ students aged 16 to 19. Our achievements speak for themselves consistently placing us within the top sixth form colleges nationally. In the summer of 2024, our students achieved an outstanding 59% A*-B. Results across our other qualification types are equally as strong. Approximately 70% of our offer is A-Levels, with 25% comprising Level 3 vocational and technical qualifications, and 5% comprising our Transition courses for students to bolster their Level 2 qualifications before progressing to Level 3. Alongside our academic, vocational and technical course we have a thriving enrichment programme with over 130 activities available to all students from sports to arts and crafts, and music.

A great college deserves a great location: we're close to the centre of the historic market town of Horsham and under an hour from London by train. We're a supportive community rather than just a place to work, and we are deeply committed to the professional development of our staff.

Health and Social Care is a high performing subject within the college, currently delivering the BTEC Level 3 Extended Certificate and Diploma, as well as the Level 2 First Award.

Qualifications: Good degree together with a recognised teaching qualification (PGCE, Cert Ed, DET).

Experience: Current or recent experience of teaching Health and Social Care to Level 2 and 3 students would be beneficial, however, we would also consider applications from candidates from other social science or biology/health/social care backgrounds.

We very much welcome applications from ECTs.

Knowledge and Skills: Knowledge of Pearson's BTEC Health and Social Care qualifications and some experience of working within the Health or Care sectors is desirable.

Personal Qualities: Excellent teamwork and communication skills, flexibility and effective organisation.

COLLYER'S

The College of Richard Collyer

Motivation and expectations: A commitment to high standards, a drive to motivate, inspire and support Level 2 and 3 students. An enthusiasm for teaching and learning.

Health and Social Care enjoys an outstanding provision and is well supported by excellent resources.

Members of the teaching staff are also personal tutors. Tutors monitor progress and offer support and guidance to some twenty-five students. The ability to contribute to our extensive enrichment programme would also be welcome.

Collyer's is committed to the professional development of all staff. Staff are encouraged to attend external CPD as well as in-house training events.

Collyer's is committed to safeguarding and follows safer recruitment procedures.

Salary range: On the SFCA salary scale £32,178 (Point 1) to £49,725 (Point 9)
