Week & Date	Teacher & PO	Lesson Content
1 26.08.25		Enrolment (no lessons)
2 01.09.25		Enrolment (no lessons)
3	Katie	Introduction to Year 2
08.09.25	PO3 starts (K3.1,	Core results debrief and implications for final grade. Plans for resits established.
Mon =	K3.2)	1:1 discussion
lessons		Summer due homework – dates/times for SPD4.
start		
T 100		PO3 starts
Tues = IP3		K3.1 How well-considered planning and provision supports children's
starts		educational development and progress
SPD4-		K3.2 The purpose of observation, assessment and planning to support children's progress (continues next week)
assessing		Cilitaten s progress (continues next week)
starts		Assignment 2
5 10.11 15		First impressions of IP3.
		Set the scene for Year 2 – IP days/block weeks, assessment visits,
		planning for maximum achievement, end date.
		Permission to observe Ch X – to discuss with supervisor.
		Introducing Assessment 6.
		Assignment 2
		Assignment 3 Setting the scene for Assignment 3.
		Cetting the Seeme for Assignment 6.
	Rebecca	PO2 starts
	PO2 starts	K2.1 Different forms of attachment that children develop and analyse,
	(K2.1, K2.2,	and evaluating key aspects of attachment theories related to current
	K2.3)	practice and the key person (recap from Year 1)
		K2.2 The features of secure attachment and how it impacts positively on
		children's development and behaviour (recap from Year 1)
		K2.3 The potential positive and negative effects of transitions and
		significant events on children's relationships and holistic development (recap from Year 1)
		(recap from real 1)
		Assignment 1
		Setting the scene for Assignment 1.
4	1/ - 1'	POO.
4	Katie	PO3
15.09.25	PO3 (K3.2,	K3.2 The purpose of observation, assessment and planning to support
SPD4 -	K3.3)	children's progress (continued) K3.3 A range of developmental indicators that may suggest a child is in
assessing		need of additional support
continues		nood of additional support
		Assignment 2
Assessme		Assessment 6 – reminder: observation permission letter needs to be
nt 6 –		signed.
times/		Observation (checklist). Create a maths checklist using EYFS and Birth
dates set		to Five.

	Rebecca PO2 (K2.4, K2.5, K2.6)	Start observing child X. Mock Exam grading explained. Set dates/times for Assessment 6 (mock). Assignment 3 Advantages and disadvantages of each method of observation (snapshot, narrative, checklist). Covered in PO3. Fri – C3&C4 – Classroom swap. PO2 K2.4 Typical behaviours for age and stage of development (recap from Year 1) K2.5 Implications of a range of behavioural signs and approaches to their management (recap from Year 1) K2.6 The concept of self-regulation in children, the stages of self-regulation and how self-regulation support children's development (can spread across to next week if needed) Assignment 1 Activity planning – analyse content from each section. What makes an effective plan?
5 22.09.25 SPD4 – last week to assess	Katie PO3 (K3.4, K3.5)	PO3 K3.4 Different types of assessment and their purpose K3.5 Practitioner responsibilities to undertake continued professional development Fri = Revision for End of PO3 test – analyse preliminary material Assignment 2 Checklists complete for child X this week. Discussion with supervisor re activity to promote decided next steps. Start completing initial Planning sheet, activity plan, observation chart. SPD4 in lesson and workshop time. Assignment 3 Observation practice for child X.
	Rebecca PO2 (K2.7, K2.8)	PO2 K2.7 Factors affecting children's behaviour (recap from Year 1) K2.8 How children's effective and ineffective communication skills may impact on relationships with others Assignment 1 Create the 'coloured document' to show how each PO fits into activity plan. Where does PO3 fit into the activity plan? Allocation of marks.
6 29.09.25	Katie PO3 ends	PO3 Revision for End of PO3 test Fri = End of PO3 test

SPD5		PO3 ends
introduce		
d – arrange		Assignment 2
times with		Workshop Assessment 6 paperwork. Complete by Friday.
assessor		Workshop time used to complete any remaining SPDs.
		Tremenep time deed to complete any remaining of 20.
		SPD5 – SEND and inclusive practice. Arrange times to assess with
		·
		assessor.
		Assignment 3
		Observation practice for child X.
	Rebecca	PO1
	PO2 (K2.9,	K2.9 How a range of factors can affect children's self-concept
	K2.10)	K2.10 Effective practice to develop self-efficacy in children
	,	Recap and revision
		Thurs = Revision for End of PO2 test – analyse preliminary material
		mary material and or of the analysis presiminary material
		Assignment 1
		Increasing the quality of writing. Analyse examples.
