# Admissions Guidance

All students must be aged 18 or over on the 31st of August preceding the start of the course.

We reserve the right to refuse admission to any student who has an unsatisfactory prior record or who breaches our Code of Conduct at any point.

Collyer's is committed to ensuring that people with disabilities, including those with learning difficulties or medical needs, are treated fairly. All reasonable adjustments to provision will be made to ensure that students with disabilities are not disadvantaged. Individual requirements will be discussed on a case-by-case basis.
