16 - 19 bursary

The 16-19 Bursary is funded by the UK Government and is designed to support any student who faces financial barriers to participation in education, such as help with the **costs of essential books, equipment or travel to and from college**.

Eligible students must be **under 19 on 31 August 2025** and enrolled on a non-fee-paying full-time course at Collyer's. Where a young person turns 19 during their programme of study, they can continue to be supported to the end of the academic year or to the end of their programme of study.

There are two types of bursaries available: **Bursaries for defined Vulnerable groups** and **Discretionary Bursaries**.

DEFINED VULNERABLE GROUP BURSARY

Collyer's students who meet the following criteria, and who have a financial need, may apply:

- In care
- Care leavers
- Receiving Income Support (IS) or Universal Credit (UC) because they are financially supporting themselves.
- Receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIP) in their own right **as well as** Employment and Support Allowance (ESA) or Universal Credit (UC) in their own right.

*The amount awarded to students who meet the criteria for a Vulnerable Group Bursary is based on **actual financial need** related to the cost of study.*

DISCRETIONARY BURSARY

Students can apply for a Discretionary Bursary if the **total annual household income does not exceed £39,000**. The amount of bursary awarded will be confirmed following your application and is dependent upon funding allocations and the number of applications received. The amount awarded will depend on both the household income and educational need.

Students awarded the Vulnerable Group Bursary, or the Discretionary Bursary will receive financial support for:

- costs incurred relating to their course of study (for example essential course materials, books and equipment).
- public transport costs (over 2 miles).
- all compulsory trips and a contribution towards enrichment trips.
- Progression costs eg: UCAS Application fee; travel to up to four University Open Days (public transport costs).

The college will aim to distribute the funds fairly with regard to the financial needs of the individual student.

Under exceptional circumstances, additional help in the form of one-off payments for course-related expenses may be available to students who are not eligible for an award. Applications will be considered on an individual basis and are dependent upon available funds. Evidence of income or hardship will be required.

EVIDENCE OF INCOME

Applicants are required to complete an **online application form** via our **Pay My Student Portal**.

It will be necessary to **upload evidence of all household income**, for example **PDFs** of P60's, payslips and / or **all pages of the three most recent Universal Credit** monthly award statements.

PAYMENT OF AWARD

Once approved, **payments for travel will be paid at intervals during the year** and payment dates will be set out in **the award letter**. Please be aware that confirmation of awards will not be made until **mid-September at the earliest** due to the large numbers of applications received. Students should be aware that they will need to cover their own travel costs for the first month of college, as **travel assistance is paid in arrears**. **Students must have their own bank account** as payments are made by BACS **direct to their account**.

Contributions towards **course costs** etc will be paid on **proof of purchase**. Please keep receipts for all college related expenses (including travel), as you will need to **upload evidence** of your expenditure if your application for financial support is successful.

CONDITIONS

- Students must be UK residents.
- Students must be enrolled on a non-fee-paying full-time course at Collyer's.
- **All bursary payments are linked directly to excellent attendance (above 90%), progress, effort and behaviour. Payment may be reduced/withdrawn if the student does not comply with college expectations.**
- Students are required to upload receipts to the Pay My Student Portal as evidence of expenditure.
- **Student and parent** are required to **sign a Declaration** and Agreement with the college before any payments commence.

APPLICATION PROCEDURE

- For more information and to apply online, visit the **Admissions / Student Finance page** of the **college website**:
www.collyers.ac.uk/admissions/student-finance
- Ensure **all relevant evidence of total household income is provided**. Any omissions will significantly delay processing the application.
- Applications will be **processed** from the **start of the autumn term** of the new academic year. If the application is successful, an **award letter** will be **emailed** to the student and parent/carer detailing the categories awarded and when payments will be made.

APPEALS PROCEDURE

Should you disagree with any decision made, email financialsupport@collyers.ac.uk in the first instance. The Vice Principal (Pastoral) will review all award queries.
