

Teacher of Maths

Full Time Permanent

Required for September 2026

The College of Richard Collyer in Horsham, 'Collyer's' is one of the leading sixth form colleges in the country and the no.1 choice for A Levels in West Sussex.

We are seeking to appoint an enthusiastic, committed and skilful mathematician to join a growing maths team, a thriving subject area within the Science Faculty. The post has become available due to an increase in numbers of students wanting to study the subject. The successful applicant will be expected to contribute to the delivery of the A-level mathematics curriculum and other curriculums within the department (Further Maths A-level, Core Maths and GCSE maths retake).

Established almost 500 years ago, the College of Richard Collyer is forward thinking in every way. Our mission is simple: to deliver the best possible education to our 2,700+ students aged 16 to 19. Our achievements speak for themselves consistently placing us within the top sixth form colleges nationally. OFSTED have recently graded our provision as Outstanding. In the summer of 2025, our A Level students achieved an outstanding 61% A*-B. Results across our other qualification types are equally as strong with 76% of BTECs awarded high grades. Approximately 70% of our offer is A-Levels, with 25% comprising Level 3 vocational and technical qualifications, and 5% comprising our Foundation courses for students to bolster their Level 2 qualifications before progressing to Level 3. Alongside our academic, vocational and technical course we have a thriving enrichment programme with over 130 activities available to all students from sports to arts and crafts, and music.

A great college deserves a great location: we're close to the centre of the historic market town of Horsham and under an hour from London by train. We're a supportive community rather than just a place to work, and we are deeply committed to the professional development of our staff.

Qualifications: Good degree in relevant subject and teaching qualification (PGCE, Cert Ed, DET).

Experience: Current or recent experience of teaching A-level Maths is desirable. Applications are welcomed from ECT's.

The ability to teach (or upskill to teach) Further Maths or a second subject within the department is an advantage.

Knowledge and Skills: An thorough understanding of Level 3 Mathematics and the ability to use Information Technology to support teaching and learning.

Personal Qualities: A reflective practitioner with excellent teamwork and communication skills and effective organisation.

Motivation and expectations: A commitment to high standards, to motivate, inspire, support, and encourage the growth and maturing of students. An enthusiasm for teaching and learning.

Members of the teaching staff are also personal tutors. Tutors monitor progress and offer support and guidance to twenty-five students. The ability to contribute to the enrichment programme would also be welcome.

Collyer's is committed to the professional development of all staff. Staff are encouraged to attend external CPD as well as in-house training events.

Collyer's is committed to safeguarding and follows safer recruitment procedures.

Salary range: On the SFCA salary scale £33,465 (Point 1) to £51,714 (Point 9).
