Established almost 500 years ago, the College of Richard Collyer is forward thinking in every way. Our mission is simple: to deliver the best possible education to our 2,700+ students aged 16 to 19. Our achievements speak for themselves consistently placing us within the top sixth form colleges nationally. In the summer of 2025, our A Level students achieved an outstanding 61% A*-B. Results across our other qualification types are equally as strong with 76% of BTECs awarded high grades. Approximately 70% of our offer is A-Levels, with 25% comprising Level 3 vocational and technical qualifications, and 5% comprising our Foundation courses for students to bolster their Level 2 qualifications before progressing to Level 3. Alongside our academic, vocational and technical course we have a thriving enrichment programme with over 130 activities available to all students from sports to arts and crafts, and music. Staff are encouraged to offer enrichment activities if they wish to.

A great college deserves a great location: we're close to the centre of the historic market town of Horsham and under an hour from London by train. We're a supportive community rather than just a place to work, and we are deeply committed to the professional development of our staff.
