The College of Richard Collyer in Horsham, 'Collyer's', is one of the leading sixth form colleges in the country and the no.1 choice for A Levels in West Sussex.

We are looking to appoint a well-qualified and enthusiastic practitioner, with an outstanding track record of improving student outcomes, to teach Health and Social Care, a thriving subject area within the Faculty of Business.

Established almost 500 years ago, the College of Richard Collyer is forward thinking in every way. Our mission is simple: to deliver the best possible education to our 2,700+ students aged 16 to 19. Our achievements speak for themselves consistently placing us within the top sixth form colleges nationally. OFSTED have recently graded our provision as Outstanding. In the summer of 2025, our A Level students achieved an outstanding 61% A*-B. Results across our other qualification types are equally as strong with 76% of BTECs awarded high grades. Approximately 70% of our offer is A-Levels, with 25% comprising Level 3 vocational and technical qualifications, and 5% comprising our Foundation courses for students to bolster their Level 2 qualifications before progressing to Level 3. Alongside our academic, vocational and technical course we have a thriving enrichment programme with over 130 activities available to all students from sports to arts and crafts, and music.

A great college deserves a great location: we're close to the centre of the historic market town of Horsham and under an hour from London by train. We're a supportive community rather than just a place to work, and we are deeply committed to the professional development of our staff.

Health and Social Care enjoys good provision and is well supported by excellent resources.

Members of the teaching staff are also personal tutors. Tutors monitor progress and offer support and guidance to twenty-five students. The ability to contribute to the enrichment programme would also be welcome.
