

TEACHER OF ENGINEERING

Part Time Permanent 0.6fte

Required for September 2026

The College of Richard Collyer in Horsham, 'Collyer's', is one of the leading sixth form colleges in the country and the no.1 choice for A Levels in West Sussex.

We are seeking a to appoint an enthusiastic, committed and skilful practitioner to deliver on our Engineering BTEC course. Weekly contact time would be approximately 14.5 hours per week.

Established almost 500 years ago, the College of Richard Collyer is forward thinking in every way. Our mission is simple: to deliver the best possible education to our 2,700+ students aged 16 to 19. Our achievements speak for themselves consistently placing us within the top sixth form colleges nationally. OFSTED have recently graded our provision as Outstanding. In the summer of 2025, our A Level students achieved an outstanding 61% A*-B. Results across our other qualification types are equally as strong with 76% of BTECs awarded high grades. Approximately 70% of our offer is A-Levels, with 25% comprising Level 3 vocational and technical qualifications, and 5% comprising our Foundation courses for students to bolster their Level 2 qualifications before progressing to Level 3. Alongside our academic, vocational and technical course we have a thriving enrichment programme with over 130 activities available to all students from sports to arts and crafts, and music.

A great college deserves a great location: we're close to the centre of the historic market town of Horsham and under an hour from London by train. We're a supportive community rather than just a place to work, and we are deeply committed to the professional development of our staff.

Qualifications: Good degree in relevant subject and teaching qualification (PGCE, Cert Ed, DET).

Experience: Current or recent experience of teaching Engineering (or related qualifications) at level 3 desirable. Applications are welcomed from ECT's.

Knowledge and Skills: An excellent understanding of Engineering principles and the ability and motivation to up-skill. Good practical skills, including workshop and lab safety. The ability to use CAD is desirable.

Personal Qualities: Excellent teamwork and communication skills, flexibility and effective organisation.

Motivation and expectations: A commitment to high standards, to motivate and support the growth and maturing of students. An enthusiasm for teaching and supporting students.

As a growing member of the thriving Science Faculty Engineering BTEC is taught in our well-equipped technology centre's workshop and computer rooms, supported by a member of technician staff. The course follows Pearson's Advanced Applied Qualification (AAQ) specification.

Members of the teaching staff are also personal tutors. Tutors monitor progress and offer support and guidance to twenty-five students. The ability to contribute to the enrichment programme would also be welcome.

Collyer's is committed to the professional development of all staff. Staff are encouraged to attend external CPD as well as in-house training events.

Collyer's is committed to safeguarding and follows safer recruitment procedures.

Salary range: On the SFCA salary scale £33,465 (Point 1) to £51,714 (Point 9)

To apply, please visit <https://www.collyers.ac.uk/vacancies/>

Closing Date: 9am Tuesday 12th May
Interviews will take place during week commencing 18th May.

If you have any queries or would like to visit the college, please contact us on jobs@collyers.ac.uk.

We look forward to hearing from you.

Collyer's embraces equality and diversity in our working, teaching and learning environment and is committed to maintaining a supportive and inclusive community. We particularly encourage applications from Minority Ethnic backgrounds as the College is under-represented by Minority Ethnic staff.
