

12 June 2026

1A to 2A Progression Day & Targeted Parents' Evening

Dear Students, Parents & Carers

As a reminder, **Progress Review 4 (including Transfer Exam results) was released on Thursday 11 June at 1.20pm on MyProgress**. Hopefully by now students have accessed their report and are preparing for **1A to 2A Progression Day on Tuesday 16 June**, when they will have an individual 2A Enrolment appointment to discuss their programme of study for next year. Usual timetable will be suspended on this day to facilitate appointments and all students will also attend a Progression Lecture. Appointment details are available to students on MyProgress under the TIMES tab. Students should contact their Tutors if they have any concerns or queries about 1A to 2A Progression Day.

Targeted Parents' Evening takes place on **Thursday 18 June**. Subject Teachers have indicated where an appointment is needed by ticking the appointments box within the Progress Review. Students are able to book appointments for parents/carers via MyProgress or parents/carers can make appointments through MyStudent (see attached guidance). Students are expected to attend the appointment with parents and please make every effort to ensure appointments take place in a quiet, confidential space. If we do not request a parents' evening appointment, there is no obligation to make one. Please note, Parents Evenings are curriculum based – we cannot offer appointments with Tutors as most Tutors will be busy with subject appointments. Parents/carers may contact Tutors by email if they have particular pastoral concerns or questions.

With best wishes

Andrea John
Vice Principal (Pastoral)
