

**COLLYER'S**  
**6TH FORM COLLEGE**

**YEARBOOK**

This is the fourth year in which Collyer's students have produced a Yearbook and I am glad to have been given the opportunity of writing an introduction.

Throughout the year the students involved with the Yearbook have photographed the many and varied activities which take place at the college. They have photographed their fellow students and members of the teaching and non-teaching staff and they have photographed each Tutor Group and a number of other groups as well. It should be possible somewhere in the book to find anyone who has been at Collyer's during the past year.

The first three Yearbooks were a great success and I do not doubt that this one will be a swell. I congratulate everyone who has taken part in producing it.

D.J. Arnold,  
Principal.
